Welcome to Summer Reading 2017! The theme this year is **Reading by Design**.

Read or listen to a total of five books of your own choosing. For each book, check all that apply on your reading log. (If you read a paper copy of a book, just check Fiction or Nonfiction.)

Return your completed reading log to the Adult Services desk by July 31. Your reading log serves as an entry for the raffle of prizes at the end of the program. You may fill out as many reading logs as you would like!
