Register at the Children's Reference Desk to receive a Bingo card and a bookmark.

To get a Bingo, complete 5 reading / listening challenges in the same row on your Bingo card — either horizontally, vertically, or diagonally.

You can have multiple Bingo cards, but you can only have one Bingo per card. The more Bingo cards you return to the library, the more chances you'll have to win the prize!

Ask a librarian if you need suggestions on what to read. For fiction titles, you can search [Novelist K-8](#), an online database available through our library.

Return your Bingo card(s) to the Children's Reference Desk by January 12, 2022, for your chance to win a gift basket filled with seasonal goodies.

Be sure to write your name and contact information clearly on your Bingo card!
