It was the "Sound of Young America" sung by performers like The Supremes, The Temptations, Marvin Gaye, and Stevie Wonder. Join us on Thursday, March 7, at 6:30 p.m. for The History of Motown Records. Using audio and visual content Gary Wenstrup traces the amazing musical journey from the power soul of "Dancing in The Streets" and "I Heard It through the Grapevine" to the psychtripedelic soul of "Cloud Nine" and "What's Going On" to the pop soul of The Jackson 5. Timeless music that moved us then and moves us now.				1 10a Shake Out Your Wiggles	2 9:30a-12:30p AARP Tax-Aide 1-3:30p JOY Volunteers: Decorate Birthday Cards & Bags 2-4p Country Line Dancing 5:15p Charcuteries with Class VI 6:30p After-hours Concert: Music of Four Centuries
